Why choose **PROHOODS**?

At ProHoods it is our goal to provide cabinet shops, home builders, designers and industry professionals with top quality range hoods in both style and function. Our superior design ensures that any model you buy will be easy to install and maintain for a price that seems too good to be true.

Our range hoods are more than just affordable. You deal directly with us and we pass the savings on to you and your customers. Save hundreds of dollars buying with Prohoods than virtually any other name brand company. Even better, that discount increases with the number of hoods you buy.

The support and warranty we offer are unmatched, and we back it up with the expertise to help you get the job done faster. We pride ourselves on the quality of our products and top notch customer service. We're dedicated to your success, because here at ProHoods, we're professional.

It's in the **name**.
